### **DETAILED ACTION**

Applicants' arguments, filed May 2003, have been fully considered but are not deemed fully persuasive. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn. The following rejections and/or objections are either reiterated or newly applied. They constitute the complete set presently being applied to the instant application. Claims 57-115 are currently pending.

#### ***Claim Rejections - 35 USC § 112***

Claims 57, 59, 60, and 61 recite the limitation "a collection of (poly)peptides comprising a plurality of (poly)peptides according to claim 112". There is insufficient antecedent basis for this limitation in the claim. Claim 112 recites a single Ig polypeptide and not a collection.

Claims 58, 59, and 61 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 58, 59, and 61 recite the limitation "a suitable host cell thereof". This is not clear, as it is hard to imagine a suitable host cell for a peptide.

Claims 57-61 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Claims 62-115 are allowable.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1631

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
